# Clues for the week of May 4

Words (vocabulary) we may have become familiar with over the past 8 weeks

1. The leaders of our country are all a part of this - President Trump, Governor Reynolds.
2. We have been asked to do this during this pandemic. It means to separate or isolate from others. One way we do this is by staying home.
3. This means to keep away from another - we have heard the term, “keep 6 feet apart”. This is a way to practice social \_\_\_\_\_.
4. Something used to make an area look nice (artwork, candle). Many houses have hearts in their windows as a type of this to show joy and hope.
5. To be hopeful or confident in something. If you see the bright side of things, you may be considered this type of person. We need to be \_\_\_\_\_ during this pandemic.

If you need a little help or want to check if you are on the right track. The grid below shows all the word parts for the answers. Use each part one time to build all 5 of the vocabulary words.
